Phone

Transfer (existing active number) *	New connection (existing in-place)	New connection (new line installation)
\$0	\$59.00	\$299.00

- If transferring an existing active number, it must remain active with your current provider until we have confirmed the number has been transferred to SpinTel.
- Not all numbers from all carrier networks can be transferred to SpinTel.

Upfront Hardware Charges (for SpinTel supplied hardware)

Standard Network Gateway – Netcomm NF10WV \$59.00 + \$15.00 postage.

Advanced Network Gateway – Netcomm NF18ACV \$99.95 + \$15.00 postage.

The hardware provided will auto-configure with the SpinTel network once the service is activated and the device is connected.

Early Termination Charges

The maximum charge for early termination is \$198.00 (\$99.00 pro-rata for the Broadband service, and \$99.00 pro-rata for the Phone service). The fewer months left on your contract the lower this amount will be.

Minimum Monthly Charges

The minimum monthly cost for the Metro Bundle is equal to the sum of the Broadband and Phone monthly access charge. For example, if you were to select the S '200 GB' Broadband plan and the L '\$20.00' Phone plan, you would be charged \$20.00 + \$20.00 + \$24.95 (\$64.95) per month.

Critical Information Summary

Auto Data-block Charges

If pre-selected, the auto data-block option on your Broadband service will be charged in 10GB blocks at the rate of \$3.00 (\$0.0003 per MB). This feature can be disabled or enabled any time after the initial sign up in My Account.

Minimum Total Cost

- Month-to-month – The minimum total cost for the Metro Bundle is equal to the sum of the Broadband and Phone one monthly access charge. For example, if you were to select the S '200 GB' Broadband plan and the '\$20.00' Phone plan, you will be charged \$20.00 + \$20.00 + \$24.95 = \$64.95.
- 6-month contract – The minimum total cost for the Metro Bundle is equal to the sum of the Broadband and Phone one monthly access charge multiplied by 6 months. For example, if you were to select the S '500 GB' Broadband plan and the '\$10.00' Phone plan and the \$15.00 credit, you will be charged $(\$20.00 + \$10.00 + \$24.95) \times 6 - \$15.00 = \$314.70$

nbn™ UPGRADE INFORMATION

Once **nbn™** becomes available in your area, we may automatically transfer you over to SpinTel **nbn™** for the remainder of your minimum term and move you to a new plan that is comparable or identical to your current plan. If we move you to an alternative plan, we will take reasonable steps to ensure any detrimental impacts are addressed. If we upgrade you to **nbn™**, you must provide all reasonable assistance to enable to change to be implemented, including access by the **nbn™** technician to access your premises and equipment. We will contact you to discuss the details of any changes we plan to make to your access method prior to making the change.

OTHER INFORMATION

Broadband Speeds

Actual throughput speeds may be slower and could vary due to many factors including type/source of content being downloaded, hardware and software configuration, the number of users simultaneously using the network and performance of interconnecting infrastructure not operated by SpinTel. Devices connected by Wi-Fi may experience slower speeds than those connected by Ethernet cable. Minimum acceptable speeds can be viewed on the SpinTel website under 'Coverage and Data Speeds', here: spintel.net.au/terms

Priority Assistance and other Value Added Services

If you have a diagnosed life-threatening medical condition your current provider may offer you 'Priority Assistance'. SpinTel does not provide priority assistance and this service does not come with priority assistance. Additionally, any existing value added services such as voicemail may or not be transferred or may or may not be available.

Monitoring Your Usage

You may view your usage by logging onto SpinTel's member portal My Account. Access My Account at: my.spintel.net.au

Billing

You will be billed up-front for any hardware and activation charges. You will then be billed according to your billing cycle. The first bill you receive may include charges for any days remaining in the month until your billing cycle ends and will also include charges in advance for the next billing cycle. Your call and/or data usage is also based on your billing cycle and your first month may include proportional usage based on the remaining days in that billing cycle.

Payment methods include direct debit from a nominated savings and cheque account, or a credit card. No processing fee applies for a savings or cheque account where a BSB and account number are used. You will receive your bill at least one week prior to any direct debits.

How to Contact SpinTel

Our call centre is available seven days a week from 8am to 8pm weekdays (AEDT) and 9am to 5pm weekends and public holidays (AEDT). To speak to a SpinTel representative, call 1300 303 375.

Complaints or Disputes

You may lodge a complaint with SpinTel by following our Complaints Handling Policy which is located at spintel.net.au/complaints. If you are not satisfied with the proposed complaint resolution after exhausting all steps, you may wish to consider contacting the Telecommunications Industry Ombudsman. The TIO should be contacted only as a last resort, after we have thoroughly investigated your complaint. You may contact the TIO at: tio.com.au
